The Florida Department of Transportation (FDOT) is pleased to provide information regarding the proposed improvements for the above referenced project. No public meeting is scheduled for this project. Questions and comments may be submitted to the Project Manager, Haiyan Ou, P.E. (contact information below). Project information is posted at: <https://d4fdot.com/future-projects/451043-1>. It is the policy of the Florida Department of Transportation to conserve, protect, restore, and enhance Florida's Natural resources and scenic beauty when constructing and maintaining the State Highway System.

### PROJECT PURPOSE

To enhance and revitalize the landscaping throughout the project corridor.

### PROJECT IMPROVEMENTS

- Landscape revitalization will address the I-95 and Copans Road interchange.
- Landscaping throughout the interchange will include a mix of palms, flowering trees, and canopy trees.
- Additional improvements will be made to the Copans Road medians to add landscape and irrigation.

### CONSTRUCTION IMPACTS

- Minimal impacts on the public are anticipated.
- No lane closures or detours along I-95 or the interchange ramps are anticipated.
- Shoulder closures may be required to protect the workers.
- Temporary lane closures adjacent to the Copans Road medians will take place during non-peak hours.

### CONSTRUCTION INFORMATION

- Anticipated Construction Start: **Spring 2027**
- Anticipated Construction Completion: **Winter 2027**
- Estimated Construction Cost: **\$1.39 Million**
